Re: Case 18-E-0722 - Rate Filing of Hamilton Municipal Utilities Commission to Increase its Annual Electric Revenues by \$213,484 or 7.0%

Dear Secretary Burgess:

On behalf of the Hamilton Municipal Utilities Commission (“Hamilton” or the “Village”) in accordance with the provisions of the New York State Public Service Law and the Public Service Commission’s (“Commission”) regulations, Hamilton hereby requests approval of a postponement of the effective date for the electric tariffs it filed with the above-referenced case on November 20, 2018 so it may present new information regarding its filing. The postponement changes the effective date of the tariffs from August 1, 2019 to September 1, 2019. The Village requests the revision to the effective date so that Staff of the Department of Public Service has adequate time to review and analyze new information recently presented to them from the Village before making any recommendations to the Commission on the Village's pending rate request.

Hamilton respectfully requests a waiver of the Commission’s rules and regulations regarding newspaper publication for the supplement.

Hamilton respectfully asks that questions regarding this filing be directed to Frank Radigan of the Hudson River Energy Group, 235 Lark Street, Albany, NY, 12210, (518) 527-0932, or via e-mail [at FRadigan@aol.com](mailto:FRadigan@aol.com).

Respectfully submitted,

Frank W. Radigan
